

The Smell & Taste Lab^{TR}
An Innovation Lab

New Added Value Services!

YOUR BENEFITS

- We will report to you the latest **scientific** news, **cutting edge technology**, and technology leapfrogging – You do not need to attend trade-shows, conferences, symposia, we will do it for you
- We will report to you **new ideas, breakthrough concepts**
- We will introduce what global experts, leading institutions, recent spin-offs start-ups... are up to in order to design innovative protocols, to **transform innovative concepts**
- Based on your interest & needs, we will suggest setting up follow-up **workshops** about Olfaction Fragrance or Cosmetics
- We propose **3 levels** of subscriptions to meet your expectations or "**à la carte**"
